Supporting Courses broaden and add to your experience in Economics. Please see an Economics Advisor to discuss options. Requirement of all Economics Majors to graduate, following the guidelines below.

To declare your supporting coursework, you must make an appointment with an Econ Advisor to complete a Major Plan of Study (typically once you have completed the majority of your classes in your Senior year).

Please meet with an Econ Advisor frequently to discuss this and other Economics requirements.

Main Requirements (all courses from Option #1 or Option #2 must fulfill these requirements)

• At least 18 hours; 12 hours at the 200-level or above
• No Economics Requirements may be used, including:
  - NO: ECON Courses or courses cross-listed with ECON
  - NO: STAT/MATH or other courses used towards the Econ major requirements
• Must be taken for a letter grade (NO: credit/no-credit, proficiency, AP, IB, or A-level credit)
• Transfer courses may be used (may show as 'CR' or 'TR') and okay if they are articulated as 1--, 2--, 3--, or 4--
• Restrictions on other courses:
  - NO: Composition 1
  - NO: Seminars or Independent Studies (typically 199, 399, or similar)

Language Courses: Must be at the 5th-level or above or a culture course

*****Select one of the options listed below to fulfill the requirement (keeping above in mind)*****

Option #1: LAS Courses

• Select up to 2 LAS disciplines to complete the hours (see the list below)
• Hours between the disciplines may be split any way (no minimum hour/course requirement for either discipline)
• MATH and STAT courses count as one category; Either discipline of a cross-listed course may be used (ex. HIST or ANTH)

Option #2: Minor, Double Major, Dual Degree

• Any inside or outside LAS may be used as long as student has been accepted/declared the other program
• Must complete the minor/major in order to use as supporting coursework
• Interdisciplinary programs may be used (ex. INFO, GLBL, BUS)

*All courses taken for the minor/major must meet/fulfill the 'Main Requirements' above- you may be short supporting coursework even if you complete the minor/major. If selecting this option only the classes counted in the minor/major may be used, no other classes may be added. You may take additional courses in the minor/major to fulfill the hours.

*STAT Applied Minor and Global Studies Minor are two which may run into issues- work with an Econ Advisor
