Supporting Coursework for Economics Majors

Supporting courses broaden your experience in economics. The courses you select should follow the guidelines noted below. Please see an Economics Advisor to discuss options.

Supporting Coursework is required of all Economics Majors in order to graduate!

To declare your supporting coursework, you must make an appointment with an Economics Advisor where you will complete a Major Plan of Study. We recommend you do this once you have taken some supporting coursework and around your fifth semester on campus. A major plan of study is required before graduation. Make an appointment with an Economics Advisor: https://my.atlas.illinois.edu/advising/

Supporting Coursework:

- **Maximum of two LAS disciplines** (all available are listed below)
- **Must consist of at least 18 hours**
- **At least 12 hours at the 200-level or above**
- **Courses may be transferred from other institutions**
- **Courses from majors, minors, & certificate programs may be used if they meet other guidelines**

Restrictions:

- **No courses cross-listed as economics course**
- **No courses counting towards the Econ Major Requirements**
- **No courses counting towards the Comp I requirement or the language requirement**
- **No independent studies or undergraduate seminars**
- **All courses used for supporting coursework must be taken for a grade**
